MEMO ENDORSED

Re: *United States v. Whitmore*, et al.
Ind. No. 19 Cr. 846(ALC) (**Ian Haylock**)

Dear Judge Failla:

I write to request that Ian Haylock, who is currently out on bail and under the supervision of Pre-Trial Services, be allowed to spend additional time with his newborn child and baby mother. Should you approve this application it would extend his curfew hours as determined by his Pre-trial Services supervisor as communicated to me by his counselor Ms. Ashley Cosme:

We consent to the requested modification. We ask the if approved, the curfew hours be at the discretion of Pretrial Services. The condition should read as follows: "curfew enforced by location monitoring with curfew hours to be at the discretion of Pretrial Services."[sic]

Ashley L. Cosme
Intensive Supervision Officer
U.S. Pretrial Services, SDNY
(212) 805-4319

Should you grant this application I will make sure PTS receives an endorsed copy.

Thank you for your consideration.

Respectfully,

/s/
Allan P. Haber, Esq.
